## Viewing your schedule

This user guide explains:

- how to navigate to your firm’s Reporting Schedule
- viewing your returns
- the structure of your schedule

### 1. Navigating to your firm’s Reporting Schedule

After logging into RegData you will either see:

- your firm’s schedule, if you only report for 1 firm, or
- a list of firms, if you report for multiple firms

If you **report for multiple firms**, scroll through the list of firm names and click on the name of the firm schedule you wish to view. You can also use the search box to find a firm by its Firm Reference Number (FRN):

**Firm Selection**

Click on a firm name from the list below

Firm Name ↕	FRN ↕	Date Last Viewed ↕	Outstanding Data Item(s)? ↕
<a href="#">Firm 1</a>			Yes
<a href="#">Firm 2</a>			-
<a href="#">Firm 3</a>			Yes
<a href="#">Firm 4</a>			Yes
<a href="#">Firm 5</a>			-
<a href="#">Firm 6</a>			Yes
<a href="#">Firm 7</a>			-
<a href="#">Firm 8</a>			-

If the firm you are looking for is not presented in the table above, please contact the firm directly.

## 2. Viewing your returns

Data items due on the same date, for the same reporting period, are grouped into a 'return':

Reporting Schedule
