

What is the purpose of the PSD2 Navigator?

This navigator is intended to help businesses identify the key changes which are relevant to them resulting from Deferred Payment Services Directive (PSD2) and to provide links to further information.

How can you benefit from using the PSD2 Navigator?

It will...

Provide you with enhanced understanding

Help you find what you need

Save you time

Who is the PSD2 Navigator aimed at?

(Web page – How PSD2 affects your business) - Click on the link that best describes your business to find out more about what you need to do under PSD2.

Alternatively, click on the link which best describes the exclusion under which you are operating.

Businesses providing account information services (AIS) or payment initiation services (PIS) should click on these links to find out what they need to do under PSD2.

What happens when you choose a link?

We have added links to chapters of the Approach Document that provide guidance relevant to your firm type.

You can access key documents like the Approach Document from each firm page using the relevant links.

Answer a series of questions to understand more about you need to do to meet PSD2 requirements.

Upon clicking yes or no, you will be presented with key information relevant to your firm type, such as application dates, fees, forms and relevant reading.
